

I, Susan Catherine Casement Moreira, Translator and English Teacher (Ministry for Foreign Affairs/Brazil), translated the manuscript

NITROGEN FERTILIZERS AND THE OCCURRENCE OF *Leucoptera coffeella* (Guérin-Mèneville & Perrottet, 1842) (LEPIDOPTERA: LYONETIIDAE) IN RECENTLY PLANTED COFFEE SEEDLINGS

By Paulo Henrique de Siqueira Sabino, Francisco Aiton dos Reis Júnior, Geraldo Andrade Carvalho, José Ricardo Mantovani

As well as revising articles for the editorial board of several academic publications, I regularly translate and copy-edit scientific papers for departments at universities and research institutions across Brazil.
