

Cornelia E. Abreu-Reichart
English Translation and Review of
Scientific Documents

EDITORIAL CERTIFICATE

This document certifies that the manuscript mentioned below was edited for proper English language, grammar, punctuation, spelling, and overall style by a native English speaking editor at Scholar Translations (CNPJ 25.383.965/000131)

MANUSCRIPT TITLE

Early growth of coffee plants and soil fertility properties in response to coffee husk application

DATE ISSUED

Marechal Floriano, May 6, 2018

CORRESPONDING AUTHOR

José Ricardo Mantovani mantovanijr@yahoo.com
Universidade José do Rosário Vellano
31732-440 Alfenas - MG

During translation and review, the research content was maintained and the authors' intentions respected. The final version of the edited paper was controlled by both authors and revisers and is now English-ready for publication. Any later changes to the manuscript are however not included in this document and the certificate does not ensure manuscript acceptance. In case of any doubts or concerns about the edited article, please feel free to contact Scholar Translations at corabreich@gmail.com.

A handwritten signature in black ink, appearing to read "Cornelia", is written over a horizontal dotted line.

Cornelia Elisabeth Abreu-Reichart
